

# 4D HO CHI MINH CITY MY THO MEKONG DELTA CU CHI TUNNELS

## DAY 01 KUALA LUMPUR / HO CHI MINH

Welcome at Ho Chi Minh City still called Saigon. Visit to City Tour:

**Former Presidential Palace:** The Reunification Palace is located on the area where the Norodom Palace was formerly erected way back during the French colonial period. The French governor resided there and during Japanese occupation, it became also their headquarters. The Palace was destroyed during the Vietnam War when an aircraft bombed the left wing of the palace.

**Central Post Office:** The building was by French colonists in the early 20th century. This is the reason why it has Gothic architectural style and was designed and constructed by Gustave Eiffel. It is worth seeing the inside of this building, but theres nothing much here other than a post office and some souvenir materials.
